

## Hope Chapel 2023 Theme: "Go The Extra Mile" part 3

**Message Summary:** Jesus said that *He* would build His church. But how does He build it? The answer is simple: *Evangelism*. Every church, ought to be both a **worshipping community as well as witnessing community**. And the very existence of the early church in Jerusalem, proved to be exactly that. In fact, **true worship will lead to witness**. You worship God and He's so wonderful and He's so good to you and you understand who He is and that makes you want to testify of Him out there to people who don't know Him. Worship leads to witness and witness will lead to worship. Because if when you witness they respond they also become worshippers and that cycle continues.
